A Woodland Healthcare Foundation Publication

HONORING Philanthropy 2013/2014

Welcome to the first edition of the Woodland Healthcare Foundation (WHCF) Honor Roll – Honoring Philanthropy. With sincere gratitude for your support, the Foundation has dedicated this publication to acknowledging lifetime gifts of \$5,000 and greater, and those who have supported the WHCF through annual gifts between July 1, 2013-June 30, 2014. In 1967, a group of community members devoted to local health care founded this Foundation, and their legacy has continued through the support of many passionate men and women who have served as trustees. As I begin my term as Chair, I am grateful to my predecessors, especially the outgoing Chair Vicki Fayé. It is through the continued dedication of past trustees, current trustees, and the generosity of donors like you; that this Foundation has been able to provide funding to Woodland Healthcare for nearly half a century. Once again, I am truly appreciative for your continued philanthropic support for Woodland Healthcare. Together, we make a difference!

–MIKE CHANDLER, Chair of the Woodland Healthcare Foundation

Acknowledgment & Gratitude

RECOGNIZING LIFETIME CUMMLATIVE GIFTS

For nearly 50 years, our community has graciously partnered with the Foundation and invested in the enhancement of local health care. Because of this dedication, more than \$18 million has been transferred to Woodland Healthcare. These gifts have supported numerous campaigns, renovations, vital pieces of equipment, services and programs – all which would not have been possible without you.

Thank you!

YOU ARE IMPORTANT TO US

The Woodland Healthcare Foundation has made every effort to ensure the information in this publication is accurate, however if an error has occurred please contact the Woodland Healthcare Foundation.

HONORING Philanthropy 2013/2014

For nearly 40 years, Pauly van Muyden and her late husband, Dr. Wim van Muyden have been dedicated supporters of the Woodland Healthcare Foundation. Dr. van Muyden was a well-respected OB/GYN physician who understood the importance of both patient care and philanthropy.

For more than 30 years, Dr. van Muyden provided outstanding service to our community, delivering more than 3,000 babies at Woodland Memorial Hospital. He was also proud to serve as Chief of Staff and as a member of the Foundation's Board of Trustees. His passion for health care, community, and family was admired by many.

The van Muydens also helped create the current Woodland Healthcare campus as one of the original investors in the Woodland Clinic Medical Group building, now known as the Railsback Building. With the sale of Railsback

when Woodland Healthcare joined Mercy, the van Muydens and several other physicians established charitable remainder trusts, which provide tax benefits, lifetime income, and the opportunity to benefit Woodland Healthcare with a significant charitable gift.

Following Dr. van Muyden's passing in 2009, Pauly, has continued to build their legacy through supporting the Foundation. In honor of Dr. van Muyden, Pauly recently made a major gift to the Family Birth Center in support of renovations to meet the needs of our growing community

The Woodland Healthcare Foundation is proud to be a part of the van Muyden's exceptional legacy.

Serving on the Board of Trustees for the past eight years has been a distinct honor. I was privileged to have served not only as President and Trustee of the Foundation, but as a Board member of the Woodland Healthcare Community Board. These roles provided the opportunity to collaborate with many individuals passionate about health care and represent one of the most important entities in our community – Woodland Healthcare. From those various positions, I was able to personally see the impact made by your support. As I depart from the Foundation, I am grateful for the friendships I gained and to the generosity of the Foundation family.

HONORING Philanthropy 2013/2014

Rotarians are known for their generosity, dedication, and compassion for others. This year, Woodland Rotary chose the Woodland Healthcare Foundation as a beneficiary of their annual fundraising dinner, Mardi Gras 2014, at which more than 200 Rotarians and friends gathered to celebrate. In addition to supporting scholarships for locals students, the club generously donated \$15,000 from the event to the Foundation. This gift made possible a new, state-of-the-art, sedation monitoring system to enhance the patient experience. Woodland Healthcare Foundation is grateful for the partnership with Woodland Rotary.
